

Position: Senior Agronomist

Job Location: Saskatoon, Saskatchewan

Availability: Full time permanent

One Earth Farms (OEF), a newly established company, begins its journey as a corporate farming venture with a foundation firmly planted in the highly productive soils of Western Canada. The strategy of the Company is to establish large grain and livestock farms by leasing cultivated acres from individual First Nations and non-First Nations in western Canada.

Based out of Saskatoon, Saskatchewan and reporting directly to the Farm Director we are looking for an entrepreneurial minded, motivated, Senior Agronomist with superior agricultural industry understanding and familiarity with current technical agronomy applications. The Sr. Agronomist will be accountable for managing a comprehensive portfolio of agronomics services, providing technical leadership on agronomic issues and providing support to operations and marketing staff. Strong business acumen is essential.

The ideal candidate requires a Degree in Agronomy, or related discipline with CCA accreditation and eligible for membership in the Provincial Institute of Agrologists. Ten years agricultural experience with a minimum of five years in a leadership/management role. Preferred is experience working with/or knowledge of First Nations peoples and their culture.

Qualified applicants can forward a cover letter and resume in confidence to:

Name: Carol Bullock
